

### **The Brain and Literacy Station Suggestions**

**\*\*Prior to Station Rotation, read-aloud an interactive big book to discuss emergent literacy activities.**

- 1. Making Letters- Use popsicle sticks or Magnetic Tactile Letter Builders. If using popsicle sticks, focus on stick and slant shaped letters.**
- 2. Trace and Write Letters- Use Tactile Sandpaper Letters and Shaving Cream on Wax paper taped to the table.**
- 3. Emergent Reader Station- Use simple little reader books with pictures and basic patterns, such as "The bear, The Box".**
- 4. Make your name using magnetic letters and then color a letters using large letter cut-outs.**
- 5. Sand Tray Station- Practice making letters in the sand**
