

GROW

the Seed of Learning

FOR CHILDREN AGES 2-4!

Grow the Seed of Learning has expanded the impact of the Plant the Seed of Learning program to children, ages 2 - 4

The early childhood education initiatives of Plant the Seed of Learning and Grow the Seed of Learning support an educational and developmental foundation in the youngest of learners.

The classes listed below will offer helpful tips on early childhood education in a playful environment. Local medical and school district professionals will present the classes.
